

## ABOUT JLEN

JLEN Environmental Assets Group Limited (“JLEN” or the “Company”) is an environmental infrastructure investment fund that invests in a diversified portfolio of assets that support the drive towards decarbonisation, resource efficiency and environmental sustainability. The Company’s portfolio comprises 42 assets located across the UK and mainland Europe.

JLEN is Guernsey-registered with a premium listing on the London Stock Exchange and is a constituent of the FTSE 250 index. The Company has an award-winning approach to Environmental, Social and Governance (“ESG”).

## OUR PURPOSE

JLEN aims to invest in a diversified portfolio of environmental infrastructure that supports more environmentally friendly approaches to economic activity whilst generating a sustainable financial return. It seeks to integrate consideration of sustainability and ESG management into its activities, which help to manage risks and identify opportunities.
